From Their Majesties

Into the Great Populace of the Outlands, Greetings from TRM Lycurgus and Mikulina

We hope this missive finds all safe and joyous throughout these summer months. Congratulations to THLds Kynnan and Thorgrim, the newest Thegn's of the Iron Hart.

The fighters collegium at Rio de las Animas Perdidas was attended at a level that allowed for much one on one instruction in fighting, A & S, and service. Heartfelt thanks to Rio de las Animas Perdidas and all the instructors who attended. The evening bardic Lord Connor's singing, Cormack's story about eggs and the story about the moose by Lady Siubhan ensured all would leave with a new muse in their heart.

StagsCon was very informative and We hope all who attended learned something new. The food and gift baskets provided by Random and Judy were delicious and We look forward to tasting their wares again.

The Premier of the Order of the Silver Stirrup, THLdy Thorhalla, was made at Cattle Raid. The second person to receive this new award is the current Equestrian Marshall, Lady Moyra. We thank Our ancestors, Maelgwyn and Lillian, for creating a way to reward those skilled in the equestrian arts. The event was lots of fun with activities for all. The St. George and the Dragon play given by the children was adorable. We would like to thank Mirabelle for attending HRM as a hand maiden.

Outlanders would have been proud of the heroic and honorable conduct of their brothers & sisters at the Lillies War. On and off the field we led the way in our actions of chilvary, valor, and hospitality. Lord Devon was made a Defender of the Stag's Blood at this event

At the Uprising War in Artemesia, many oaths were sworn and alliances made between TRM Artemisia and We, TRM Outlands. In the future the Griffin and the Stag shall stand side by side.

We would like to take this time to thank the good gentle who found a piece of misplaced regalia and ensured it was returned to Us at Outlandish. We understand that the Crown can represent an imposing figure at times however we would like this gentle to present themselves to Us so that We may show our gratitude.

Letters of Intent to fight in the upcomming Crown List are due to Us no later than September 1, 1999. We ask that any fighter or consort who currently holds a Kingdom Office provide a letter of agreement from their replacement for that office. This will ensure that a replacement is prepared and willing to take over the office, should the fighter win the day. Yes, the tournament will be just like the one held by Lycurgus the First.

The one true Blood of Heros is coming. The King needs Jugger's now."

We hope to see one and all during our travels this summer.

From The Kingdom Seneschal

Unto the gentle populace of the Outlands does your Kingdom Seneschal send greetings,

As these glorious days of summer end, fall is at hand. Their Majesties have called for letters of intent to participate in Their Crown Tournament to be held September 11 in Their Shire of Aarquelle. Please remember that in order to be eligible for acceptance by Their Majesties into Their Crown List, you must fulfill the list of requirements outlined in Kingdom Law: III Selection of Royalty. D. To be eligible for the Crown Listrs, the entrant and prospective consort must meet all of the following requirements in addition to those stated in Corpora: 1) be acceptable to the Sovereign; 2) be at least eighteen (18) years of age by the scheduled Coronation; 3) have resided within the boundaries of the Outlands for the last six (6) consecutive months immediately prior to the day of the Crown Lists; 4) have regular means of quick communication, dependable transportation, and sufficient income to support the Crown should they win; 5) be knowledgeable of the structure and laws of the Kingdom of the Outlands and the Society; 6) the entrant must be an authorized fighter of good standing; and 7) appear as current members of the Society for Creative Anachronism as evidenced by the Membership Roster issued by the Office of the Registry as of the month preceding Crown Tournament. Addition Corpora VI.A.1.b. Selection of Royalty...also states 1) each competitor in a Royal Lists must be fighting for a prospective consort of the opposite gender; 2) each competitor in a Royal Lists and each prospective consort must maintain their qualification throughout their tenure as royal heirs and as royalty; and 3) no one may take part in a Royal Lists, either as a competitor or as a prospective consort, who has any reason to believe that either member of that competing couple will be unab.le to fulfill the duties of royalty.

Pay heed to the words of Their Majesties as They seek to fill Their Crown Lists.

I will be out of standard communication from August 12-29 while visiting our cousins in the Kingdom of Drachenwald (England and Scotland), but you may certainly contact my Emergency Deputy, Mistress Bennet if you have questions during that time. I will try to check my email from time to time (depending upon availability). I look forward to seeing everyone at Crown Tournament and again at the Kingdom Arts & Sciences Competition to be held in the Shire of Caer Galen on October 9-10.

May you tend your gardens well in order to provide a larder sufficient for the coming winter,

In service,

Mistress Coemri

From The Kingdom Earl Marshal

Greetings Unto the Populace of the Outlands!

I only have a couple of items of note this month.

First, your local marshall should have paper copies of the new experimental weapons form. This is a very simple form that only needs to be filled out once, by anyone who either uses, or faces an experimental weapon. "Experimental Weapons" include weapons constructed of any material not approved at the Society level, or at the Kingdom level. If you are in doubt, please ask your local marshall, or myself. If you have a new weapon material you would like to test (plastic swords, neoprene mass weapons, etc.), please contact me. I will need a description of the material, construction methods, and source for obtaining the material. Hopefully, this process will, over the course of a few months, provide enough solid information to make well informed decisions regarding the approval of new weapon materials.

Second, I have had several questions regarding the "low profile" thrusting tips, and their status for use. These are approved at the Society level, so anyone may use them. I would ask that if

you do use them, please make sure your opponents know that you have one. This will help prevent any misunderstandings that may arise, as these are new to our Kingdom. Once again, if you have any comments or ideas regarding the current Kingdom fighting conventions, please let myself or your local marshall know. These are our rules, and any feedback is appreciated!

Regarding conflicts: if you have any problems with other combatants, please discuss your concerns with them as a first step. Your local marshall is available for moderation, and consultation on the rules. Your local marshall is not in place to carry your concerns or problems regarding another to that fighter.

Thanks for your time, and remember to thank the water bearers and marshals who are not fighting so you can!

Be Safe!

Syr Nasr ibn 'Isa

From The Kingdom Marshal of Fence

Salutations, Outlanders!

After consulting with my superior, Sir Nasr, and others, I have decided that no one (Outlander or visitor) be allowed to fight with schlagers in tournament or melee until they are authorized to do so. This is effective immediately, and will be enforced from now on, including Estrella War. I understand that there need to be extra efforts made by myself, the Rapier Authorizing Marshals, and Local Marshals, to make sure everyone who is ready and willing can be authorized in schlager in time for Estrella. The more people there who are authorized, the more fun we can all have, and the greater glory we can reap at War!

On another note, I was most pleased with the turnout for the DiGrassi Tournament at Grand Outlandish. Fedallah the Bilge-Rat was beautiful to watch and was thus rewarded with a fencing dagger whose hilt was fashioned by Lord Otteaux. It it wonderful to hear about how excited some people are about studying period manuals. Keep it up! I hope to run another DiGrassi Tournament next Outlandish.

Thanks go out to Blue Company and their intensive study of Del Tin blades. Del Tins are considered equal to schlagers. If you purchase one, be aware of the possible differences in quality, and also be vigilant in maintaining the edge, so that burrs do not develop. If you have any questions about them, please seek out the several Del Tin owners around the kingdom.

StagsCon was a success! In addition to seeing some old faces, I had the honor of meeting the new rapier marshal of Fontaine dans Sable, Ivar Slade, and the new rapier marshal of Gleann Meadonach, Ian A MHarciache. Please help these fine gentlemen in their new endeavors. I hope next year more rapier marshals, or even those who are interested in the workings of my office, attend StagsCon. It is a great way to strengthen the kingdom through communication.

Authorizing Marshals, I need reports from you immediately. Even if you have not authorized anyone since you last reported, I need to know that. If you do not have copies of the new forms (designed by my deputy, Lady Devlin) then contact me now. I want everyone on the same page, as it were.

There are some great events coming up, so make plans to attend!

Keeping to the point,

Baroness Aindrea MacCullaich

From The Kingdom Archer-General

Greetings Archers of the Outlands

I hope you are having as much fun with archery as I am this tourney season. For those of you who missed St. Sebastian's Revisited in June, you missed alot of fun shoots. There were five different scenarios during the day on Saturday, followed by a night shoot. The two shoots, planned for Sunday, were cancelled due to all the archers being too worn out from Saturday. We did shoot a Royal Round Sunday morning before everyone decamped. I apologize for not making it to "Glory, Feats of Heros", but camping three weekends in a row is too much even for me. I was coerced into running the children's archery for the Caerthe/Dragonsspine/Unser Haffen Tri-Baronial Warlord tourney on the 10th and 11th of July.

For those Archery Captains, who I have not yet spoken to, I require a written report on the 25th of each month. You can send it EMAIL or US Mail. Please include: your name, your group, what your archery group has been doing for the past month, what archery events you have coming up (preferrably two month lead time so I can include it in my column and give details), any injuries that have occurred and what you can do to prevent a reoccurance, and any questions for me. My EMAIL and US Mail addresses are in the front of the OH. Make sure you send all of your Royal Round, IKAC and IKCAC scores to Lord Damian d'Antioche. His addresses are located on the Deputy list on the inside back cover of the OH. Please get these scores to Damian as soon as possible after your shoot. You are responsible for turning in any scores shot in your group's area, so if you are not running the event or practice where they are shot, make sure you get the information from the person who did run it. Also, fill out transfer sheets for anyone who is shooting at your event from another group. They and their captains need the scores for their records. It is your responsibility to keep the scores and ranking records for your group. When someone in your group achieves a new rank, send the rank advancement form to me. If you wish to send the information via EMAIL, just make sure to include all the information from the paper form.

Listed later in the OH, are the IKAC and IKCAC rankings as of 6/23/99. N/A means that no average has yet been recorded since three scores have not yet been submitted.

I am in need of several deputies. I asked for names of people who would be willing to serve as my regional deputies at Stag's Con. One person's name was volunteered and another volunteered themself. They are both being considered. I am looking for a deputy for the Northern, Middle and Southern sections of the Kingdom. I cannot be at all archery events but would like to have at least a deputy at most major archery events. Could you please help me with this? This person would need to be a warranted archery marshall and be willing to help warrant new marshalls. (Don't forget, any marshal can warrant a new marshall.) I also require a deputy who will be going to the next Estrella War. I may not be able to go and will need someone to organize the Outland shoots for the War Point, as well as prize shoots, and make sure the shooting line is staffed with Outlands marshalls when we are running the line. This deputy will be included in the treaty negotiations along with Mistress Kathryn of Iveraugh and myself. I could also use a deputy who will take responsibility for combat archery at Estrella War. I know some of you are very keen on this and would do a much better job of negotiating for combat archery than those of us who just do target archery. Please step forward and take an active part in the Outland's Archery program.

May your arrows fly true.
YIS

Lady Ailinn Shadowfox

From The Kingdom Minister of Arts & Sciences

Greetings to all on this fine summer day. The days may be growing longer, but the time until the Kingdom Arts and Sciences Competition grows shorter every day. To this effect, I would like to address what some of you may have thought was a rumor. You say you have heard that the judging for such competitions may be changing...being simplified...made more understandable...more concise? Well, I am happy to say that that is not merely a vicious rumor, but is in fact, the truth! And to that end, I am requesting your aid. If you have ever entered an arts and sciences competition, and were puzzled or dissatisfied with the judging, and thought it could be improved...let me know. Give me your ideas as well on how you think it might be done better. Did you do it a different way in another kingdom? Did it work? Did it not work? Why? Let me know. Is there a particular form you have used that works well? Show it to me. Have you been involved in discussions on this topic in your barony, shire, previous kingdom or even your own living room? Let me know. You may contact me by email, phone or letter at the respective number or address in the front of the Herald.

I would like to receive input from contestants, coordinators, judges, champions, novices...anyone who is interested in this project. Although information cannot be confidential, per se, I shall be as discreet as possible. I hope to hear from quite a few of you. On another topic, I am looking for deputies. Lady Jorunn has agreed to stay on in her capacity as Northern Deputy. I would, in the best of all possible worlds, like to have a Mid-Kingdom Deputy (think I-40) and a Southerly Deputy. Please send a letter of interest and experience to the address listed in the front of the Herald. Emails accepted.

FOOD FOR THOUGHT: Learn the difference between criticism and critique. Criticism can destroy the spirit...critique can encourage it to soar.

In service,

Ban-Filidh Caelte

From The Kingdom Hospitaller

Greetings to all!

My name is Lady Constance Marchet and I am the new Kingdom Hospitaller. I accepted this position at Stag's Con III. I would like to thank Baroness Leonora for her years of service. I will be posting monthly information about the Hospitaller office in the OH monthly. My first project will be to get settled into the office and get in contact with my officers.

Hospitallers, if I have not contacted you, please contact me ASAP with all information (Name Group Contact info, etc.).

In the service of the Kingdom,

Lady Constance Marchet

From The Kingdom Waterbearer

Greetings, good gentles from the Kingdom Waterbearer.

The height of summer is upon us and there are tons of wonderful outdoor events to attend. Thus, I would like to remind the autocrats of those events to call upon the Waterbearers guild if they are planning fighting, fencing, archery or equestrian events. We will gladly help you out if we know what you need for your event. If you have a local waterbearer, involve him or her in the plans for your event. If you do not have someone who handles the waterbearing for your group. please call me at the number below and I will find someone to help you. Local waterbearers, don't hesitate to offer whatever assistance you can to other groups, and PLEASE

call upon other waterbearers in your area for help if you need it (bottles, bags, equipment, fruit, warm bodies, etc.) With everyone onboard, we will all have a better tourney season. If you don't know of someone in your area, please call the local seneschalate, or call me. I keep a rough list of reliable people for waterbearing duty.

And also, if any members of the populace feel boredom sneaking up on them at an event, by all means, the waterbearers could use your help for the day. Please come up and introduce yourselves. We'll be glad for the help. For information, please call me at (303) 306-6712 or email me at either rainmaker@sprintmail.com or ccorbet@uswest.com No calls after midnight.

In Service,

Thldy Sadhbh Ni Donnabhain

2nd Annual Pennsic Children's Party

Pray attend good gentles all. King Stephen and Queen Niobe, gracious Monarchs of Atlantia, extend an invitation to the children of the Knowne Worlde to attend the 2nd Annual Children's Fete at Pennsic XXVIII.

The party is hosted by Their Atlantian Majesties and will take place in the Barn on Wednesday, August 18th from 1pm until 4:30 pm.

The afternoon will be filled with ongoing activities and live performances to amuse and delight. The entertainment will include juggling, magic, storytelling and face painting. There will be many diversions for children of varying ages. Some of the many planned amusements include boffer fighting, a quest, games, dancing, period gaming, needlepoint and beginning illumination. Activities for teens will be sponsored by teens themselves.

There will be light snacks and drinks available for children and their parents.

The fete is designed for young people between the ages of four and fifteen. We ask that those ages four and five have an adult remain with them throughout the festivities. In addition, all parents who leave their young Scadians at the party must register their whereabouts on a sign-up sheet prior to leaving and include any health, dietary or other concerns as well.

This is assured to be a fun-filled festive occasion, in which children and teens from throughout the Knowne Worlde will make new friends and create fond memories. We had a wonderful time last year and we hope to see all of last year's participants back and many new faces as well.

For on-site questions or more information, please contact Duchess Arielle the Golden ((704) 399-1200, e-mail: ariellegolden@hotmail.com. Camping with Clan Ebonwoulfe) or Duchess Seonaid ni Fhionn ((757)686-0364, e-mail: seonaid@juno.com. Camping with Strawberry Fields).

No pets are allowed on site. If these rules are broken, you will be asked by the Ranger to leave the site! Now, the theme. Who gets Charlemagne's throne? How do they deal with Spain in the future? What surprises lie in store for those who seek a crown? The search for the Heir begins Saturday at noon. Weather is no barrier to being crowned so rain or shine be prepared. Teams included Heavy, Light and non-combatants. Of course, non-combatants should be prepared to deal with challenges as well.

Did you know Spain had a rare delicacy? It's true, apparently beef stew was highly sought after. Well, our wonderful chefs are preparing beef stew for the feast Saturday night along with a vegetarian version. There will be tournaments for heavy, light, and boffer as well as archery on Sunday. Ever wonder how long you singly could hold the pass against a raging horde? Find out Sunday. The **site fee** is $10 for camping and $15 per person for cabins. Fields of Gold

Dragonsspine, August 27-29, AS XXXIV (1999)

Site opens at 3:00p 8/27 • Site closes at 5:00p 8/29
Lost Burro Campground • Cripple Creek, CO
Make checks payable to "SCA - Dragonsspine"
Site is wet

The annual event known as Fields of Gold shall be held high among the mountain spires of mighty Dragonsspine in the cool land known as Cripple Creek, on the beautiful grounds of the Lost Burro Campground. This most spectacular site was chosen for its beauty and conveniences. There are a limited number of sites available with electricity, call early.

The autocrats have thought hard on what would make this an outstanding event They came up with...(1) Fighting... (2)Lots of fighting.... and (3) more fighting !!! Between the three baronies we have some of the best hard suit and rapier fighters in the kingdom. Challenging these fierce warriors will be tough. One of our scenarios shall be a Damsel in distress in which the damsel role is big part of the score, so start thinking of the most dramatic damsel you know. Scoring events for the High Lord Protector of Fields of Gold tourney will be held in all categories, Heavy, Light, Archery, and A&S or Bardic.

For our non-fighters, a chocolate tasting will be held to determine the best use of chocolate in a period form. The Golden Processional will be held in reverse order so first time attendees will be allowed the chance at the front, to see and hear the grandeur of a spectacular court.

For the children a scavenger hunt and other activities will be planned. For the very small, paid babysitting will be available. We will have numerous food vendors. Our members will be

vending very reasonably priced food, but don't worry, the FREE populace feast is still being planned !! You may visit shops set up by our costuming guilds or armourers and other shopping will be available. Merchants are very encouraged. Our goal is to make this a convenient Camping event for all!!!

Important: Animals are allowed but Strongly Discouraged. This site is in the mountains, with abundant wildlife and all sensible precautions must be taken...strong food lockers are recommended, and keeping your campsite free of food debris is a must. Please observe this caution.

Fees: 10.00 all weekend, 5.00 day trip, either includes populace feast Saturday night. Please R.S.V.P. for childcare, so that personnel and fees may be set.

Directions: From Colorado Springs take the Cimmaron exit (Highway 24) west to the town of Divide. At the Stoplight in Divide, continue straight to Twin Rocks Road, and turn left. Follow this road (very curvy) to its end. It will T into CR1 (just under 5 miles), turn left. Follow CR1 for another 10.5 miles (approx), noting signs along the way, and enter the Lost Burro Campground.

More Info: Please e-mail the Autocrat for schedule of events. Parking will be off-site, a shuttle will be operational. Limited parking on-site to unload will be permitted. Reservations are HIGHLY suggested. There are several issues (feast, etc.) that depend on our having some idea of participation. Competitors for Lord High Protector of Fields of Gold will have their own Herald arranged, and please notify the Autocrat in advance of your intent to participate. Shuttle Busses from Cripple Creek Casinos can be arranged at any time for parties of ten (10) or more. Teller County is HIGHLY aware of our presence, and DUI is a real event killer.

Site Restrictions: Please be responsible for members of your encampment. Make sure your area is policed for food and scraps at all times. Pets are very discouraged, as predatory wildlife is present in the immediate area. Drumming is welcomed. but not allowed after midnight on either Friday or Saturday nights. Singing and storytelling is welcomed all night long. Interested merchants Please contact the Autocrat.... We plan to build a town of stalls for your use, and intend Fields of Gold to be a great shopping event !!

Outlands Arts & Sciences Competition

Caer Galen, October 9-10, AS XXXIV (1999)

Calvary Church • 12700 Sheridan • Broomfield, CO
Make checks payable to "SCA - Caer Galen"

It has been a year and a half since the Kingdom of the Outlands has chosen its champions in the arts and sciences. Today, the Shire of Caer Galen is honored to announce that they will be hosting the Kingdom Arts & Sciences Competition. The new Minister of A&S, Ban-Filidh Caelte has many wonderful and exciting new ideas, so this should prove to be well worth the wait. Among these are display areas for those with special interests they'd like to share and foster in other groups and a new and improved Novice category along the lines of Queen's prize, for those not quite ready for competition just yet.

We hope to provide something for everyone. With this in mind, Lady Althea ni Cullaugh, has come up with a small but informative list of classes of interest to many, including you fighter's out there, and Madonna Onorata (THLdy) Caterina Fregoso is working hard on a Youth Collegium for the University of Caer Galen. THLdy Caeliann ingen Muiredaig, as Mistress of the Revels, is planning entertainment to compliment the sumptuous buffet-style feast provided by Mistress Brianna, and is organizing musicians to play for dancing later in the evening. Contact THLdy Caelainn for a packet of the evening's dance music and/or early sign-up for feast entertainment.

And speaking of dancing....Those of you who have always harbored a desire to dance with the beautiful Mikulina but were afraid to ask, (now why would that be?), will have your chance that

evening. Her Majesty intends to sponsor a Kingdom Fundraiser to purchase pre-paid phone cards for Kingdom Officers and the next Prince and Princess. The funds will be raised during the dancing portion of the evening's festivities. Any suggestions as to how this may be accomplished (pay a buck to "poach" during Hole in the Wall, etc.) should be directed to the THLd Adam Steadfast (formerly known as Adam the Persistant). To save some time at the event for all concerned, Ban-Filidh Caelte is seeking pre-registration, but this is not a requirement. We strongly urge you to do so and early, so that you can come in, pick up your paperwork and set up in a minimal amount of time. It will also help to ensure space requirements are met. To pre-register email Ban-Filidh Caelte at the address listed below. Laurels, Flowers and Argent Harts willing to judge at the competition are encouraged to contact her also. Be sure to let her know what categories you feel qualified to judge.

As former Kingdom Minister of Arts & Sciences, Her Majesty Mikulina has strong feelings for the Arts and having this Competition be well attended and successful. Let us all join together to make this so. The Autumn is the time after harvest where we view the fruits of our labors. Let us proudly display the fruits of our Artistic endeavors for our Gracious Crown and the Glory of the Outlands!

Fees: The site fee only will be $6.00, site and feast is $13.00, children 5-12 half-price, 4 & under no charge.

Directions: Take your best route to 120th Ave., go west to Sheridan, go north on Sheridan past Midway, the building is on the right behind the church.
